

Le Touessrok Golf Course

GOLF PACAKGES

About the Golf Course:

Le Touessrok Golf Course is a remarkable Golf Course which earned a reputation as one of the best golf course in the world.

The Le Touessrok Golf Course was recently named 10th best golf course in the world by both Golf World magazine (UK) and Middle East Golf Magazine, as well as 19th by Golf Journal (Germany).

All the 18 holes have views of the ocean - some with glimpses across clearings through the trees; others by coming close to the shore. There are nine lakes in all, with a number of holes requiring tee shots across sea inlets to the fairways. The water and the expansive bunkers of indigenous white sand set off the natural backdrop of trees and vegetation.

Fringed by white sands and surrounded by the blue Indian Ocean, Le Touessrok Golf Course features breathtaking views, with the holes snaking up and down the length of the island.

Le Touessrok Golf Course – A Championship 18-holes course:

Bernhard Langer designed the 18 hole, par 72 championship course to challenge advanced players, while remaining exciting and playable for recreational golfers.

This is achieved with four sets of tee decks for each hole, so the angles of attack and approach vary. There is a generous provision of fairway where appropriate. The greens are mainly small and undulating, requiring precise approach shot
